

~Precious Memories~

In Tribute

When I must leave you for a little while,
please do not grieve and shed wild tears
And hug your sorrows to you through the years.
But start out bravely with a gallant smile;
And for my name sake and in my name
Live on and do all things the same;
Feed not your loneliness on empty days,
But fill each waking hour in useful ways,
Reach out your hand in comfort and cheer
And I in turn will comfort you and hold you near;
And never, never be afraid to die,
For I am waiting for you in the sky!
